RE: Agraria Restaurant, Georgetown Waterfront

Dear Joe:

On behalf of my fellow owners, who as you know include family-farmers from across the country, please allow me to convey our thanks for the work you did for our restaurant in the Georgetown Harbour Complex. The project was completed on-schedule thanks largely to your pre-construction, construction and opening consulting services; the professional standard that defines and separates your organization from all in the industry.

I look forward to working with you and your team again on future projects.

Sincerely,

Tom Prescott
