Dear Joe:

I am pleased to acknowledge the work you have done for us over the past several years to bring the first two Just Fresh locations to the DC market. You have been a tremendous resource that we are pleased to have on retainer. Whether during design, construction or operations, you always seem to know the answers to the questions that stump others. We very much look forward to continuing to work with you as we move forward and plan to build out the Wash DC market.

Thank you,

Sean Clancy, President
