Dear Joe ,

Over the last twelve months you and your firm have handled two projects for us --- CIRCA at Dupont and a Greenberry's Coffee and Tea store in Rockville, Maryland. Your attention to detail , timeliness of filings and inspections , and perseverance with the requisite governmental departments have proven invaluable to our corporate planning.

As you know my partners are heavily in the construction business. They do not suffer fools nor do they issue praise without exemplary performance. Please be advised that we all are greatly appreciative of your outstanding efforts to date and look forward to a continuing relationship as our growth proceeds.

Sincerely,

Stephen P. Gavula
