Dear Joe,

Now that the dust has settled, I just wanted to take a moment and let you know how pleased we were with your involvement in building Nando's first restaurant in the USA. With 850 restaurants around the world, we have run into many unique environments and we rely upon services such as yours to assist with local knowledge and support. Our expectations were exceeded and without your help, we likely would have endured significant delay and lost revenue.

Seeing you pull up to our door with our CO in hand was a milestone not to be forgotten. Thanks again for your help and we certainly look forward to using Restaurant Consultants on our next project on 18th Street going out for permit next month.

Best Regards,

Fran McDonald
Vice President
